

**SEVEN HILLS CHARTER
PUBLIC SCHOOL
SPELLING BEE
2008-2009**

CONGRATULATIONS – if you are a student of Seven Hills YOU are eligible to compete in this year’s Spelling Bee.

Attached is a list of words for you to study. They will be used in your GRADE level spelling Bee.

The top THREE spellers from each GRADE LEVEL spelling bee will represent their grade in the ACADEMY LEVEL Spelling Bee to be held at the Worcester Public Library (date to be announced).

Grade Level Spelling Bees will be held in March, 9-20th.

We will start with the words from your grade level. If we exhaust those words we go up a grade level until there are only three students left. So do not just practice the words from your grade list practice words from the next few grades up as well ☺

It is fun and easy to join in. You will be told the word, maybe it is dog. You will repeat the word “dog”, spell the word out loud “d-o-g” and then you will say the word again “dog”.

If you make a mistake do not repeat the word a second time! STOP start over and only repeat the word a second time when you are finished. For example if the word is cat, you say “cat” you spell “c-a-p” “Oh no I mean c-a-t” and then repeat “cat” so the judges know you are finished. Once you say the word the second time you cannot change it.

If you get a word wrong you will be asked to sit down and you will not be called upon again.
